To Whom it May Concern,

We are pleased to announce that our company name has changed from Kaymor Machining & Welding Ltd. to Kaymor Industrial Solutions Ltd. The reason for our company name change is we have grown to a point where our former name does not depict a full-length image of our full services.

Apart from the name, ownership, management, staff, products, services, address etc. will remain the same. We are committed to providing innovative solutions and exceptional customer service.

If you have any questions, please feel free to contact me directly.

Thank you for your continued support.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Stegmeier", is written over a blue horizontal line.

President
